

# Manual do Aluno

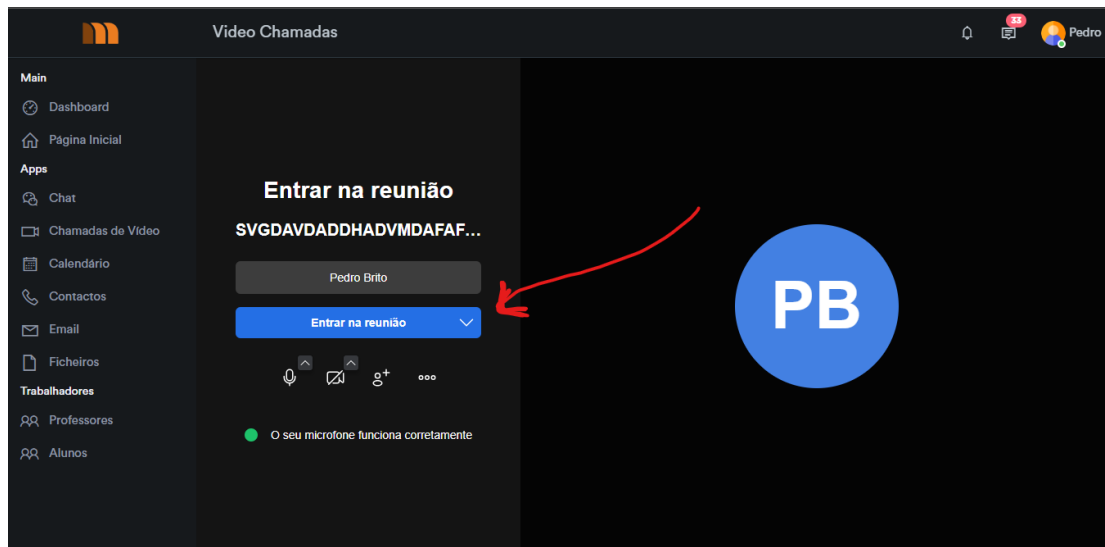

<b>1. Chamada de vídeo:.....</b>	<b>2</b>
<b>2. Criar ficheiros: .....</b>	<b>3</b>

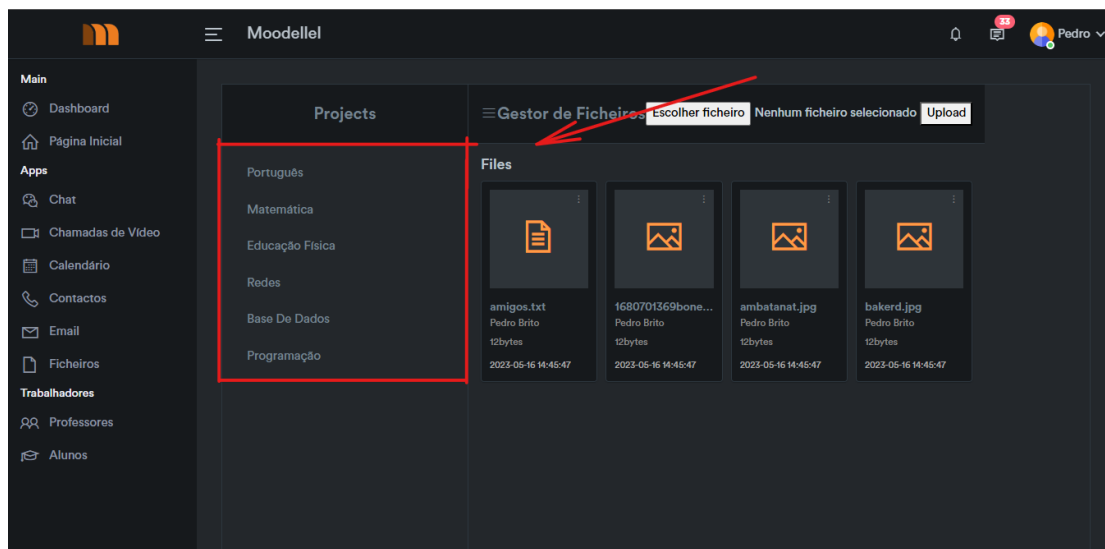

# 1. Chamada de vídeo:

The screenshot shows the Moodellel student dashboard. The left sidebar contains a 'Main' section with 'Dashboard' and 'Página Inicial', and an 'Apps' section with 'Chat', 'Chamadas de Vídeo' (highlighted with a red arrow), 'Calendário', 'Contactos', 'Email', and 'Ficheiros'. Below these are 'Trabalhadores' with 'Professores' and 'Colegas'. The main content area is titled 'Bem vindo Aluno' and 'Dashboard'. It features four summary cards: 'Ficheiros' (13), 'Professores' (4), 'Colegas' (3), and 'Eventos' (43). Below these are three sections: 'Datas importantes (Este Mês)' with progress bars for 'gyu' (12/15), 'preaktmkq' (12/15), 'trer' (12/14), and 'mmn' (12/14); 'Estatísticas das tarefas' showing 'Todos os Testes' (20) and 'Testes por concluir' (6), with a progress bar at 70%; and 'Diretores de Turma' listing 'Elsa Romão' (12\_12). The URL 'https://esaib6.pt/popup.php' is visible at the bottom left.

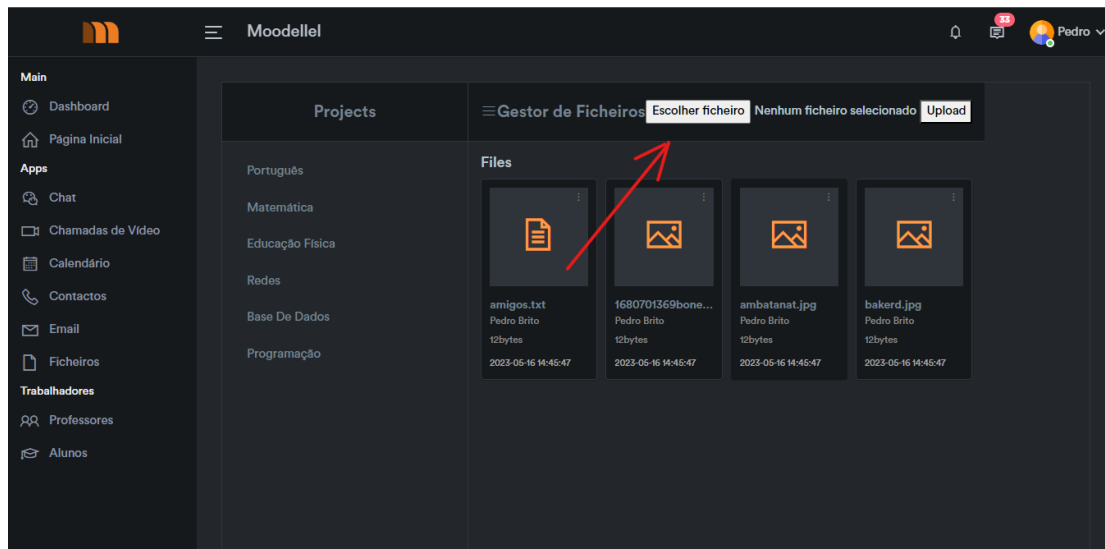

The screenshot shows the 'Video Chamadas' page in Moodellel. The left sidebar is identical to the previous screenshot, but the 'Apps' section now includes 'Chamadas de Video' instead of 'Chamadas de Vídeo'. The main content area is dark and features a single orange button labeled 'Começar Nova Reunião', which is highlighted by a red arrow.

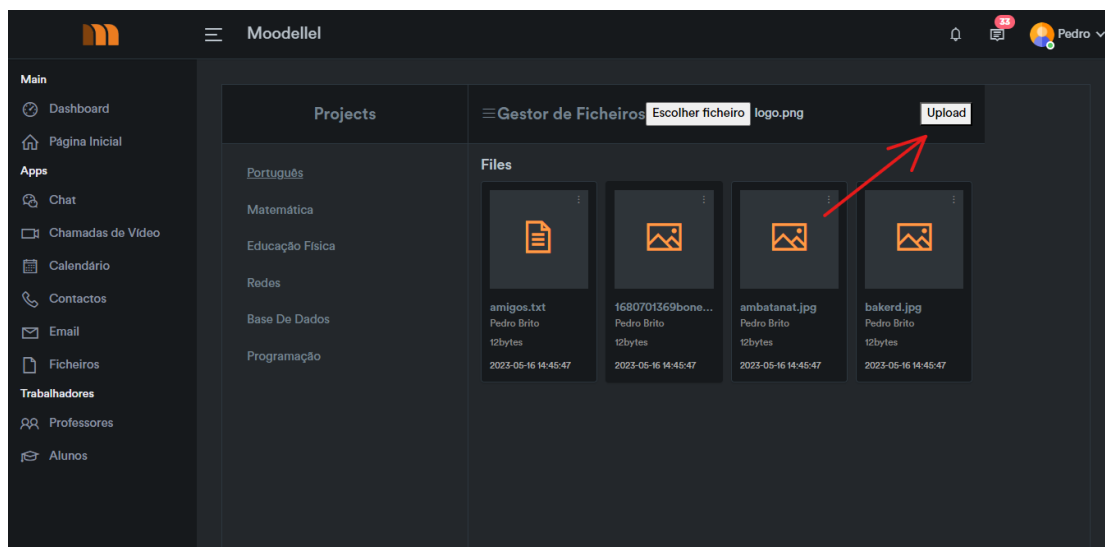

## 2. Criar ficheiros:

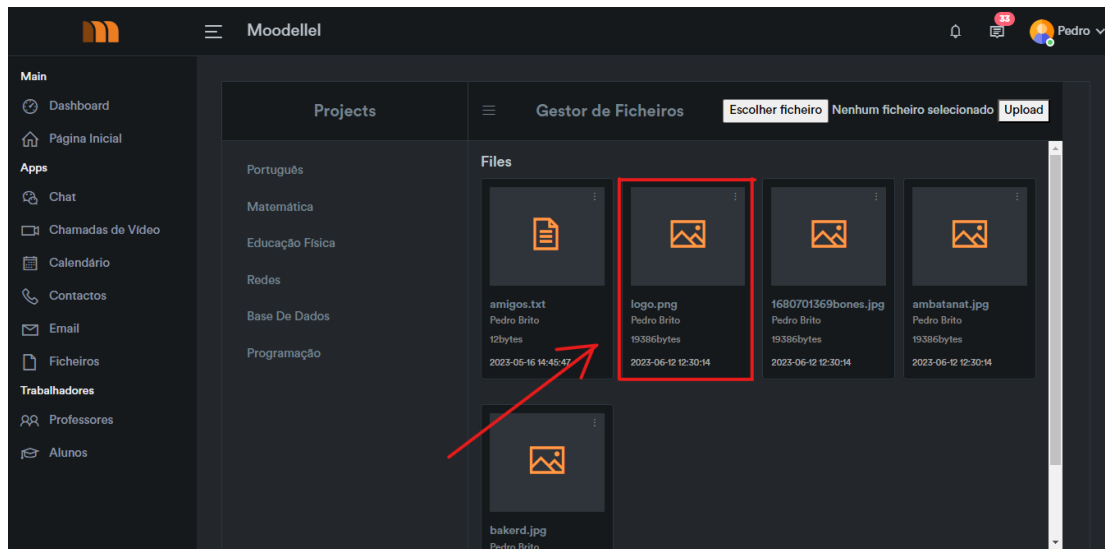

Selecionar a disciplina onde criar o ficheiro

Escolher o ficheiro que queremos carregar para o site

E de seguida dar upload do mesmo

Como podemos ver o ficheiro foi criado com sucesso
